

The logo for the British Aphasiology Society (BAS) is located at the top of the page. It consists of the letters 'BAS' in a bold, yellow, serif font, set against a dark blue oval background. To the right of the oval, the full name 'British Aphasiology Society' is written in the same yellow, serif font. The entire logo is contained within a dark blue rectangular box with a thin white border.

Research Update Meeting – Call for Papers

Online RUM to be held on Thursday 9th June 2022

The Research Update Meeting is an ideal opportunity for clinicians and researchers to share and discuss ideas for potential research projects, as well as projects in progress or recently completed, in a supportive environment. It offers the opportunity to receive feedback on ideas and to keep up-to-date on current research activities, as ongoing CPD. The full programme will be advertised and registration will open by Wednesday 4th May 2022.

Call for project summaries

We welcome abstracts on planned, ongoing or recently completed studies related to aphasia. Each presentation will be followed by an opportunity for supportive discussion.

Please e-mail a summary of your research idea or project to

research-in-progress@bas.org.uk (Gillian Capriotti)

Deadline: Monday 14th March 2022

Summaries should be no more than 400 words. Please include the following headings: Background, Aims, Methods, Results (if applicable) and Conclusion (or future plans).

All submissions will be reviewed anonymously. Authors will be notified of the outcome of the review by 8th April 2022.

Please note, all speakers and attendees must be current members of BAS on the date that the RUM is held to be eligible to attend the event.
